

There's nothing like Australia

Did You Know?

1. Australia is the driest continent on Earth aside from Antarctica.
2. Australia is the only continent completely covered by one country.
3. Australia is home to the Great Barrier Reef, the world's largest living structure.

Places of Interest:

1. Sydney (Sydney Opera House, Sydney Harbour Bridge, Bondi Beach)
2. Great Barrier Reef
3. Great Ocean Road
4. Blue Mountains National Park
5. Uluru (also known as Ayers Rock)

Featured Food: *Lamingtons*

Lamingtons are widely recognized as the "National Cake of Australia." Named after a former Governor of Queensland, Lord Lamington, Lamingtons are square-shaped sponge cakes dipped in chocolate sauce and rolled in coconut — perfect for pairing with tea or coffee.

Ensemble Recommends:

Visiting Australia for the first time? Here's a basic 14-day itinerary we recommend.
